Dear Mike:

I have to bother you again, but I still need the Ineligible Volunteer Record Sheet for Mr. Rice. I am enclosing another form for your use. Please give us as much information as you have available, so we can identify him anywhere he might attempt registration.

If you have the outcome of the legal action that occurred in 1984, we would like that information. This would be helpful in having a complete file.

Thanks for your help.

Sincerely,

Paul Ernst, Director Registration and Statistical Service

SUBJECT: FRED L. RICE SR.

Dear Mike:

I appreciate the material you recently sent concerning the above named individual. This is most helpful and will enable us to start a file which will lead to refusal of registration in the future.

I am enclosing an Ineligible Volunteer Record Sheet which I would like to have completed, so we can identify Mr. Rice. Please give us as much personal information as you have available.

I would also like to know if you have the outcome of the legal action. The material which you sent us from the courts indicates there were charges placed, but does not indicate the outcome. Can you tell us whether Mr. Rice was convicted and what the sentencing was? This would be most helpful in making a complete file.

Thanks for your help in this matter.

Dear Paul:

Our officers have revoked the registration of two volunteers, William J. "Bill" Burke and Fred L. Rice, Sr. Also, the registration of Danny C. Phillips was not permitted.

Attached is supporting documentation for the action taken. It is believed Mr. Burke will appeal so I am forwarding the appropriate copies to the South Central Region. Mr. Burke also admitted to striking a "hysterical" child sometime in 1984 at a Boys Club game. The parents pressed charges and he was found guilty. He lied to us concerning his Florida conviction in 1973.

Please let me know if additional information is needed.

Sincerely,

Michael D. Ballew

Dear Mr. Rice:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America. A refund of your registration fee will be sent to you immediately.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed please write to me within 60 days of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted or reinstated. The procedures for review are attached.

Sincerely yours,

James Shipp, Jr.

Council President
